

Hi! Are you Interested in having Timothy Price and/or Faith, Recovery & Music (FRM) visit your church, treatment facility, youth center or recovery organization with music & testimony? There are several options to choose from to find the presentation that works best for your event, service, recovery gathering & more!

Timothy Mark Price/FRM Concert & Presentation

This is a mix of solo guitar, original songs of faith and recovery, classic hymns and even a few recognizable blasts from the past played acoustically. In a concert scenario, this presentation is peppered with words of faith and hope throughout the performance.

Timothy Mark Price Fingerstyle Guitar Concert

Both elegant and energetic Tim plays your favorite hymns and contemporary worship songs instrumentally on the acoustic guitar. Also great for dinners, luncheons, galas, meetings and any event where live background music is wanted.

Music & Message

Similar to a concert & presentation with a message. Songs coordinate to the topic.

Presentation Topics

Duct Tape And Grace – How God uses us and our brokenness to help others.

Heart For God – My Story

New Beginnings – How every day is a gift and an opportunity for new beginnings.

Music & Message or Presentation with YOUR church's Praise & Worship Band

If you would like to invite your church's musicians or praise & worship team to contribute to a presentation, Tim will gladly send you charts and MP3s beforehand.

Cost

We want to visit you with a message of faith, hope and music and we don't want money to ever be an issue. We've discovered that oftentimes those who need a message the most have the least amount of money. Thanks to the Good Lord and through generous donations we are often able to visit many shelters, churches and recovery organizations for a mere love offering or even for free, depending on your financial situation, your organization's mission and how it helps the faith and recovery community. I ask you to look into your heart to determine a payment that is appropriate and to remember as a ministry/nonprofit we have bills and overhead like any other business and can always use your support. I trust God will provide and bless FRM as needed.

Sponsorship

FRM offers sponsorships where individuals, groups and such can donate to FRM to go towards presentations. REMEMBER! Your donation is tax deductible.

Travel

If an event requires travel, costs and accommodations may need to be worked out in advance.
